INVISIBLE GOVERNMENT RUINED U.S.A.

UNELECTED TRAITORS RULE NATION FROM BEHIND THE SCENES

Very few Americans really understand the system by which we have been ruled for the last 50 years. The old American Democracy is long since dead. We have been ruled by "Invisible Government" for a long time. This Invisible Government controls the mass media and has surrounded itself by such an impenetrable smoke screen that it cannot be seen. The fact that the Invisible Government must hide itself from the people is indicative of its character. It is so deeply sunk in villiany and depravity that it dare not expose any real part of itself to the eyes of the people. The Invisible Government has brought this nation to the edge of destruction. The Invisible Government is not only corrupt; it is incompetent to the point of near-insanity. It represents fractured and defective states of human consciousness.

The Invisible Government controls both of the major political parties. For that matter, it also controls the Communist Party. Presidential and other elections are fixed and rigged. They offer neither a choice nor an echo. But the Invisible Government does not merely rule the political roost. It also rules our economic life, the press, radio, television, literature, and education. It rules the Right Wing no less than the Left Wing. Its basic purpose is to make really significant political controversy impossible, to control all factions, to manage and rule all sectors of the public by supplying glib leaders who will say what the people want to hear, and do what the Invisible Government wishes to have done.

Some people have said that COMMON SENSE is a "Right Wing" paper. WE ARE NOT A RIGHT WING PAPER. Fully half of the Right Wing leaders in this country today are traitors. The only reason we ever fool around with the Right Wing at all is because it is the only thing we have. If you have an idiot child, you know that he does not amount to much; but since he is the only child you have, you make what you can of him. The American Right Wing has not won a significant political victory in thirty years. It is badly penetrated by traitors who DELIBERATELY LOSE political battles, who deliberately and wilfully lead millions of American patriots down to defeat and despair. This is the way "Right-Left" polarity works. Actually, the Right and the Left, like the Republican and Democratic parties, are both run by the same people. Of course there are a great many sincere patriots down in the ranks; but it is the precise purpose of these movements to deceive sincere people.

What Are the Earmarks Of the Right Wing Traitor?

The Right Wing traitor TALKS a good game of anti-Communism. He leads you on vast "Crusades." He stirs your enthusiasm much more skillfully than we can. THE TROUBLE IS, HE NEVER REALLY LEADS YOU TO ANY POINTED AND REALLY EFFECTIVE ACTION. His job is only to keep you busy and out of mischief. The Invisible Government knows that there are millions of patriots who would like to see the U.S.A. become a strong, proud, and patriotic nation again. This is no part of their plan, so YOU must be "channelized." To prevent the rise of real patriots, PHONEY patriots are shoved forward to do the work of the Invisible Government. These phoney "patriots" talk endlessly of a vast "Conspiracy" which, they imply, springs mysteriously from the "lower depths" of society, from among "the poor." THIS LIE IS THE INFALLIBLE MARK OF THE RIGHT WING TRAITOR. The fact is that Marxism is only ONE tool of the Conspiracy of Evil which holds us in thrall. The Conspiracy has many other evil tools which you will find out about as time goes along. MARXISM IS, AND ALWAYS HAS BEEN, A TOOL OF SUPER-CAPITALISTS INTENT UPON WORLD RULE. The man who lies about this, who talks of Marxism as a "proletarian" movement, is invariably either a fool or a scoundrel. The Russian and Chinese Revolutions were made in America, and by the rich men of America. Their lying mass media said that these movements arose out of the "discontent of the poor and oppressed," but this is an utter lie, made entirely of whole cloth and nothing else. The evidence has been on the record for many years.

The Overman Report, made by a Committee of the United States Congress, established beyond shadow of doubt that the October Revolution in Russia was promoted by New York financial interests. The Communist Party is a party of the rich, not a party of the poor; but the Communist Party is only ONE of the parties controlled by the Invisible Government today. The Invisible Government controls ALL of the political parties, controls them utterly, controls them ruthlessly, controls them completely.

The last presidential election which the Conspiracy failed to fix was the election of 1920. Cox and Roosevelt were supposed to be elected, but Harding was elected instead. It cannot be said that we elected an especially distinguished man that year. We elected a meathead, but we elected a meathead who was against the Conspiracy. This fouled up the whole plan which the Conspiracy had laid for the 1920's, and delayed their plans for many years. The Conspiracy planned to deliver all of Europe to Communism in the 1920's. This was to have been done by having the Red Army invade Europe, which then was prostrate from the First World War. The United States was to be brought into the League of Nations and harnessed to the project. The Red Army at that time was under the command of Leon Trotsky. Trotsky was not a Russian. He was a Jew from New York, a former employe of the New York Times. He was also a tool of the Conspiracy, a tool of the New York financial interests, who are the real masters of World Communism. Trotsky advocated a "super revolutionary" philosophy and wanted to "expend" Russia in a massive invasion of Western Europe, which would spread Communism all the way to the Atlantic shores of France. The classic battle between Stalin and Trotsky was over this issue. Stalin did not believe in "expending" Russia for any purpose, least of all this one. Harding thwarted the plan in America by opposing the League of Nations. The rise of Hitler in Germany further thwarted the plan. Today the plans of the Conspiracy are DECADES behind schedule. Their failure to fix the U.S. Presidential Election of 1920 was a major factor in their failure. They have not made many such failures. They have manufactured the opinions of both the "Right" and the "Left" for fifty years. They have controlled all sides of all controversies. The few independent voices which try to be heard are drowned out by the vast chorus of phonies.

Fifty years of Invisible Government have made us a doomed and defeated nation. The Conspiracy thinks that it is going to rule the whole world by sheer intellectual power, or, in other words, by clever and highly-organized charlatanry. This charlatanry is called "behavioural science" by the corrupted academic minds of our kind, those utter nihilists who have abandoned living culture in favor of dead intellectual mechanism; those utter academic prostitutes who have sold out the cultural life of mankind to the Invisible Government. These people say, "Technology has advanced to the point where The Fit can control The Unfit." In this picture, WHO are "The Fit" and who are "The Unfit"? YOU, sucker, are considered to be "Unfit" because you are naive enough to believe, in good faith, in such fraudulent intellectual gambits as "Right-Left Polarity." The braying jackasses of the Right Wing are paraded before you and bray their fraudulent and traitorous song; then the braying jackasses of the Left are paraded and do likewise. It never occurs THAT ALL OF THESE BRAYING JACKASSES EAT OUT OF THE SAME FEED TROUGH.

Into this dim cesspool of unreality, some unwelcome rays of the harsh light of reality are beginning to shine. The fact is that ideology is no longer a really important factor in world history today. The Conspiracy depends upon ideology absolutely; it controls ideology absolutely. But ideology no longer controls the world, and the efforts of the Conspiracy to control the world through ideology will fail.

What Force Really Controls The World Today?

The world today is being controlled by the DYNAMICS OF ARMED FORCE. This is nothing new. The world has been controlled by the dynamics of armed force for six thousand years of recorded history. We have not the space to discuss this subject in detail here. If you want to know about it, we recommend Clausewitz's "Vom Krieg" as the best available discussion of the subject. Today the Invisible Government spreads the propaganda of "peace." It says that it is going to change the realities of six thousand years of human history; no longer will the world be

The accumulation of all powers, legislative, executive and judiciary, in the same hand, whether of one, a few, or many, or whether hereditary, self-appointed or elected, may justly be pronounced the very definition of tyranny.

James Madison, Federalist, 1847.
